Message from the Executive Director

Do you know that feeling you get when you misplace your keys, and you are zigzagging around your home looking for them in bewilderment? That is the exact feeling I have as I try to look for the months of my summer that I have surely misplaced because there is no way it can be October already. But, my multitude of electronic devices and wall calendars tell me that it is indeed October. Ugh. October is a special month to me personally because it represents the very first month that I ever became a father in. October 19th, 2006, Preston appeared in this world and now I am facing the fact that he is going to be an adult in a couple of weeks. Ugh. For many of you, October may represent your favorite time of year. Fall is in full swing and so are pumpkins, hay bales, changing leaves, and of course pumpkin spice everything. Ugh. There is so much happening that we can easily forget about the fact that October is National Disability Employment Awareness Month. What a great way to recognize individuals with disabilities that have integrated into community employment than to dedicate a month of awareness to them. This is also a great opportunity to recognize the brave businesses in our community that step up and work with our supported employment program. If you are out and about at any of these businesses please take a moment to thank them for their willingness to bust down barriers and open doors: Hy-Vee, Jewel, Skyline Center, County Recorders, Randy's Neighborhood Market, Salvation Army, Addington Place, Mercy One, YWCA, Voss Plumbing, GSF-USA, Temp Associates, Wild Rose Casino, McDonalds, Allied Janitorial, Wagner Logistics, Clinton Housing Authority, River Valley COOP, Pizza Ranch, Lyons Public Library, and Hampton Inn.

I also just thought of something else. We are less than 90 days away from Christmas. UGH!!
